CCRC Club Race #7

A Big Thanks goes out to JC. He is a friend of Jim Dispennette' from Tallassee, Fl. JC either announced or ran the computer for most of the races Saturday and did a jam up job. Thanks again JC!

We have a new member Bill Meyers. Bill is another Montgomery area racer. I believe Scott Childress got him hooked and reeled him right on it. Bill hopefully you and CCRC will be a great fit and you'll be racing with us for many years to come. All the CCRC racers make sure that you introduce yourself to Bill and let him know he's welcomed.

Business;

If you don't know it's NCS time again. The CCRC officers have filed the paperwork for another QSAC NCS race next year at Lagoon Park Raceway. We believe that the race is almost a done deal and all we need is the official letter from QSAC. The race will be held in August of next year. With additional QSAC NCS races in Texas and South Carolina, we may see a very large crowd of racers vying for national points coming to Montgomery to race at our facility. We performed a great job this year with our NCS race and no doubt that will be the same outcome in 2010.

Will Landers will be our 2010 Contest director and he'll need all the help he can get, just like this years NCS race. So if you had a job at this years NCS and you would either like to keep it or move to another job well sign up!

Down to the racing;

Well, it's early in August and the racing has been hot all summer which means Saturday's race would be no different. There were eight Sportsman drivers vying for club points and as the club race season dwindles down all points are essential. The Limited drivers were running just as hard and both groups are eying a club point's championship.

Sportsman;

After the dust had settled for the single car qualifying the heats were set.

Will Landers was TQ, 2nd Brandon Pickens, 3^d Jim Dispennette

The Sportsman A was a fast paced race with Will taking the lead for the TQ and running strong for nine laps and from that point on it was Brandon's race to loose but you had to catch him to do that. Brandon's car at one time was 5.5 tenths faster than the field, Man that's fast! But the field had some very fast drivers as well but on this day you had to catch Brandon to pass him and no one came close to catching him. Brandon took the lead from Will at lap 9 and NEVER looked back.

Jim Dispennette and Allen Johnson as always had very strong cars as well. Will and David Popham were fast as well but staying clean and not getting caught up in wrecks was the name of the game. Will went one lap down and David fell 2 laps down to the leaders.

Good Job Sportsmen.

Limited Sportsman;

Single Car Qualifying

TQ was Scott Childress, 2nd James Warbington, 3^d Eddie Dunn

I have been watching these guys for a few weeks now and each week they get closer and closer with the racing action. Last Saturday's club race was another barn burner but this time it was James' time to shine. James, Eddie and Scott sliced & diced for the lead several times with the lead changes on almost every lap to the end of the race. Bill Meyers (The New Guy) also turned some laps with the Limited Crew and for his first time out made every lap count. As new guys go he is ahead of the game a little by being only 5 Laps down at the end of the race. Bill showed some strong moves

after some of the butterflies had left but he promised to be back and kick loose the rest of the butterflies, so you limited guys had better watch out.

Good Job Limited Racers.

Alright the next race is August 22, 2009 Club Race #7. So all racers be careful when working or driving and remember it's Back to School time again in Alabama. So watch your speed in all areas, especially school zones and look out for our children. See you all next race.

Mike Clark.

SPORTSMAN A MAIN

POS	Name	Laps	Fastest	Top 5	Top 20
1st	Brandon Pickens	150 Laps	5.339	5.339	5.817
2nd	Allen Johnson	150 Laps	6.118	6.128	6.161
3rd	Jim Dispennette	150 Laps	6.151	6.176	6.212
4th	Will Landers	149 Laps	5.968	5.986	6.032
